biography

A Master Performer and Craftsman for over 30 years, Graham Greene is widely considered to be a leading Australian exponent of electric rock guitar. Graham's music is instrumental rock at its finest.

Featuring virtuosic displays of guitar magic amongst lush arrangements and compelling grooves that appeal to the heart and head in equal measure, The Graham Greene band are masters of the contemporary rock guitarscape.

HIGHLIGHTS

- Australian Guitar Magazine: "Perth's answer to Steve Vai" / "The Satriani of the South" / "A certified Rock God"
- The first Australian to be featured on the US Mesa/Boogie website
- World Wide endorsee for Ormsby Guitars
- Multi-Grammy Award winning engineer, John Hampton of Ardent Studios in Memphis: "Graham, you da man with the 6 string. Steve Stevens meets Eric Johnson meets Gibbons meetsGRAHAM!"
- John "Swanee" Swan: "A mountain of a guitar player!"
